

VITA CHARGE® STRESS TUB MOS

SIZES AVAILABLE

Product #20512
200 lb. tub

Product #20510
50 lb. tub

A cooked tub for beef cattle that supports digestive health and promotes feed and water intake during times of stress and recovery. Conveniently allows beef cattle to get their daily dose of Vita Charge® without additional handling.

UNIQUE FEATURES

Provides an extremely convenient way to protect animals during stress. Formulated to help animals recover quickly. Does not interfere with antibiotics.

VALUABLE NUTRIENT COMPONENTS

Contains Amaferm® and MOS to support the ability to recover from the effects of stress. Amaferm combats stress resulting in increased intake and nutrient digestion. MOS traps bad bacteria limiting their ability to do harm. Includes organic trace minerals, vitamins and B vitamins.

AMAFERM® ADVANTAGE

Amaferm® is a natural prebiotic designed to maximize the nutritional value of feed. It is research-proven to combat stress by supporting the animal's own immune system, significantly increasing intake and nutrient utilization.

FEEDING DIRECTIONS

Feed to beef cattle at the rate of 0.25-0.5 lb. per head, per day. As a guide, one 50 lb. tub for 5-15 head. One 200 lb. tub for 20-30 head. Free-choice salt should be provided.
