

GAIN SMART® STOCKER

SIZES AVAILABLE

Product #57000
50 lb. bag

A free-choice vitamin and mineral supplement for stocker cattle designed to balance basic nutrient needs for maximized efficient gain on grass pasture.

AMAFERM® ADVANTAGE

Amaferm® is a precision prebiotic designed to enhance digestibility by amplifying nutrient supply for maximum performance. It is research-proven to promote calf health and vigor, and stimulate digestion and nutrient absorption of forage for optimum gain.

KEY SELLING POINTS

- Amaferm, a precision-based prebiotic that impacts intake, feed digestibility and nutrient absorption for optimum gain.
- Fills in the nutritional gaps for grass pastures.
- Includes organic copper, iodine and zinc for maximum availability and hoof health.

FEEDING DIRECTIONS

Feed to beef cattle at the rate of 2-4 oz. per head, per day. Feed as the sole source of salt and mineral. If over-consumption occurs, free-choice salt can be provided.
