

A free-choice vitamin and mineral supplement for stocker cattle designed to balance basic nutrient needs for maximized efficient gain on wheat or small grain pasture.

AMAFERM® ADVANTAGE

Amaferm® is a precision prebiotic designed to enhance digestibility by amplifying nutrient supply for maximum performance. It is research-proven to promote calf health and vigor, stimulate digestion and increase nutrient absorption for optimum gain.

KEY SELLING POINTS

- Amaferm, a precision-based prebiotic that impacts intake, feed digestibility and nutrient absorption for optimum gain.
- Fills in the nutritional gaps for wheat or small grain pastures.
- Includes organic copper, iodine and zinc for maximum availability and hoof health.

FEEDING DIRECTIONS

Feed to beef cattle at the rate of 2-4 oz. per head, per day. Feed as the sole source of salt and mineral. If over-consumption occurs, free-choice salt can be provided.

GUARANTEED ANALYSIS
