

VITAFERM® COW-CALF MINERAL

SIZES AVAILABLE

Product #53000
50 lb. bag

The VitaFerm® Cow-Calf Mineral is an economical vitamin & mineral supplement for beef cattle that supports the health of the cow and her calf.

AMAFERM® ADVANTAGE

Amaferm® is a precision prebiotic designed to enhance digestibility by amplifying nutrient supply for maximum performance. It is research-proven to increase the energy available to the animal resulting in more performance.

KEY SELLING POINTS

- Amaferm, a precision-based prebiotic that impacts intake, feed digestibility and nutrient absorption for optimum health and performance.
- Blend of fortifying nutrients answering the needs of the cow and calf for efficient growth and health.

FEEDING DIRECTIONS

Feed to beef cattle at the rate of 4 oz. per head, per day. Free-choice salt can be provided if over-consumption occurs.
