

# VITAFERM® COW-CALF MAG MINERAL

SIZES AVAILABLE

Product #53100  
50 lb. bag

The VitaFerm® Cow-Calf Mag Mineral is an economical vitamin & mineral supplement for beef cattle that supports the health of the cow and her calf. Formulated to balance nutrients not present in lush, rapidly growing grasses and help prevent grass tetany.

## AMAFERM® ADVANTAGE

Amaferm® is a precision prebiotic designed to enhance digestibility by amplifying nutrient supply for maximum performance. It is research-proven to increase the energy available to the animal resulting in more performance.

## KEY SELLING POINTS

- Amaferm, a precision-based prebiotic that impacts intake, feed digestibility and nutrient absorption for optimum health and performance.
- Blend of fortifying nutrients answering the needs of the cow and calf for efficient growth and health.
- MAG to help prevent grass tetany.

## FEEDING DIRECTIONS

Feed to beef cattle at the rate of 4 oz. per head, per day. Free-choice salt can be provided if over-consumption occurs.
