

VITA CHARGE® NEONATAL

SIZES AVAILABLE

Product #79500
1 Gallon Jug

VitaCharge

A liquid supplement specially formulated for neonatal calves, lambs, kids and pigs that supports digestive health and promotes feed and water intake during times of stress and recovery. Can be mixed in drenches, milk or milk replacer.

AMAFERM® ADVANTAGE

Amaferm® is a precision prebiotic designed to enhance digestibility by amplifying nutrient supply for maximum performance. It is research-proven to combat stress by significantly increasing intake and nutrient utilization.

KEY SELLING POINTS

- Amaferm, a precision-based prebiotic that impacts intake, feed digestibility and nutrient absorption to help combat stress and jump start feed intake.
- Elevated B vitamin levels to combat what is missing during stress.
- MOS to trap and expel pathogens, limiting their ability to do harm.

FEEDING DIRECTIONS

Shake well before use. Add the following amount to milk replacer daily:

Calves: 15 ml per head, per day.

Lambs and Kids: 10 ml per head, per day.

Pigs: 5 ml per head, per day
