

# VITA CHARGE® CATTLE DRENCH

SIZES AVAILABLE

Product #79704  
5 Liter

A drench for cattle that supports digestive health and promotes feed and water intake during times of stress and recovery. Conveniently designed for processing large groups of ruminating cattle.

## AMAFERM® ADVANTAGE

Amaferm® is a precision prebiotic designed to enhance digestibility by amplifying nutrient supply for maximum performance. It is research-proven to combat stress by supporting the animal's own immune system, significantly increasing intake and nutrient utilization.

## KEY SELLING POINTS

- Amaferm, a precision-based prebiotic that impacts intake, feed digestibility and nutrient absorption to help combat stress and support the animal's own immune system.
- Convenient, go-to product for recovery.
- Added enzymes work with Amaferm to generate a more rapid digestive response.
- Designed for processing large groups of ruminating cattle.
