SURE CHAMP

A pelleted, daily supplement with the Amaferm[®] advantage for show livestock that can be top-dressed or mixed in the ration to promote appetite and digestive health. Includes ingredients designed to help support animals during extreme temperatures and support hoof and coat care. Also contains garlic, a natural insect repellent.

AMAFERM[®] ADVANTAGE

Amaferm[®] is a precision prebiotic designed to enhance digestibility by amplifying nutrient supply for maximum performance. It is research-proven to lower body temperature and maintain performance during heat stress.

KEY SELLING POINTS

- Amaferm, a precision-based prebiotic that impacts intake, feed digestibility and nutrient absorption for optimum digestive health and performance.
- Ingredients designed to help support animals during extreme temperatures.
- MOS to trap and expel pathogens, limiting their ability to do harm.
- Biotin and Zinc to support healthy skin, hair and hooves.
- Garlic which is known to act as a natural insect repellent.
