

VITA CHARGE® HYDRABOOST™ CONCENTRATE

SIZES AVAILABLE

Product #79612
Case - 4x1 Gallon Jug

VitaCharge

A unique, nutrient rich liquid supplement for commercial swine and poultry that increases water and feed intake and maintains gut immunity, thereby increasing overall health and rapidly restoring digestive balance.

POWERED BY AO-BIOTICS®

AO-Biotics® is a natural prebiotic designed to boost animal resilience to challenges. It is research-proven to improve water and nutrient absorption while protecting the gut against infection/damage by stimulating the animal's innate immunity.

KEY SELLING POINTS

- AO-Biotics, a precision-based prebiotic designed to boost animal resilience to challenges for improved water and nutrient absorption while protecting the gut against infection/damage.
- MOS to trap and expel pathogens, limiting their ability to do harm.
- Contains added electrolytes to help maintain the normal balance of fluids for maximum hydration.
- Elevated B vitamin levels to combat what is missing during stress.

FEEDING DIRECTIONS

RECOMMENDED USAGE DIRECTIONS FOR SWINE AND POULTRY:
Shake well before use. Mix 1 gallon with 4 gallons of water. Use resulting solution as stock solution with medicator set at 1:128. This equals 1 oz. stock solution per gallon of water consumed.
