

VITA CHARGE® HYDRABOOST™ CONCENTRATE

SIZES AVAILABLE

Product #79612
Case - 4x1 Gallon Jug

Vita Charge

A unique, nutrient rich liquid supplement for commercial swine that increases water and feed intake and maintains gut immunity, thereby increasing overall health and rapidly restoring digestive balance.

AMAFERM® ADVANTAGE

Amaferm® is a natural prebiotic designed to boost animal resilience to challenges. It is research-proven to improve water and nutrient absorption while protecting the gut against infection/damage by stimulating the animal's innate immunity.

KEY SELLING POINTS

- Amaferm, a precision-based prebiotic designed to boost animal resilience to challenges for improved water and nutrient absorption while protecting the gut against infection/damage.
- MOS to trap and expel pathogens, limiting their ability to do harm.
- Contains added electrolytes to help maintain the normal balance of fluids for maximum hydration.
- Elevated B vitamin levels to combat what is missing during stress.

FEEDING DIRECTIONS

RECOMMENDED USAGE DIRECTIONS FOR SWINE AND POULTRY:
Shake well before use. Mix 1 gallon with 4 gallons of water. Use resulting solution as stock solution with medicator set at 1:128. This equals 1 oz. stock solution per gallon of water consumed.

GUARANTEED ANALYSIS
