

A tub for cattle designed to support digestive health and intake when temperatures are above 70 degrees Fahrenheit. (Formerly known as Vita Charge HEAT Stress Tub.)

KEY SELLING POINTS

- Contains AO-Biotics® Amaferm®, a prebiotic research-proven to enhance digestibility.
- MOS helps normalize gut microflora and support the immune system.
- Contains a probiotic to help restore the gut microbiome and the HEAT technology, a combination of essential oils and garlic, to support animals when heat and insects are a challenge.

FEEDING DIRECTIONS

Feed at the rate of 0.25-0.5 lb. per head, per day. Provide 1 tub for approximately every 5-15 head. Free-choice salt should be provided.
