

VITA CHARGE® CLIMATE CONTROL GEL

SIZES AVAILABLE

Product #79330
80ML

VitaCharge

A gel for all species of livestock formulated to help overcome the challenges of both changes in environment and extreme temperatures by helping maintain the animal's normal body temperature.

AMAFERM® ADVANTAGE

Amaferm® is research-proven to help animals maintain normal body temperature.

KEY SELLING POINTS

- Amaferm, a precision-based prebiotic that impacts intake, feed digestibility and nutrient absorption to help combat stress and support the animal's own immune system.
- Maintain circulation and support animal performance during heat stress situations.

FEEDING DIRECTIONS

Administer up to 2 times per day orally on back of tongue 5-7 days prior to leaving for the show through return from the show.

Beef Cattle

Up to 350 lbs = 10mL, Over 350 lbs = 15 mL

Sheep, Goats and Swine

Growing = 5mL, Mature = 10mL
