

The VitaFerm® Conserve™ Mineral is an economical vitamin and mineral supplement for beef cattle that supports the health and condition of the whole herd. Includes the Amaferm® advantage to optimize nutrient digestion and absorption while the vitamin and mineral pack preserves cattle performance. Includes CTC for the control of Anaplasmosis. CAUTION: Beginning January 1, 2017, Federal law restricts medicated feed containing this veterinary feed directive (VFD) drug to use by or on the order of a licensed veterinarian.

AMAFERM® ADVANTAGE

Amaferm® is a precision prebiotic designed to enhance digestibility by amplifying nutrient supply for maximum performance. It is research-proven to increase the energy available to the animal resulting in more performance.

KEY SELLING POINTS

- Amaferm, a precision-based prebiotic that impacts intake, feed digestibility and nutrient absorption for improved health and performance.
- Contains a complete vitamin and mineral package to economically support nutritional needs of cattle grazing pasture and mature forages.
- CTC for control of active infection of anaplasmosis.

FEEDING DIRECTIONS

Mix this Type B medicated feed with non-medicated feed ingredients to manufacture 1 ton of Type C medicated feed for beef cattle. Mix 500 lbs. of VitaFerm® Conserve™ CTC 3G Medicated Type B with 1500 lb. of non-medicated feed, resulting in a Type C medicated feed containing 1500 g/ton chlortetracycline (750 mg/lb.). Hand-feed to beef cattle at the following rates to provide 0.5 mg Chlortetracycline per lb. of bodyweight for control of active infection of anaplasmosis:
 1100 lb. cattle: Feed 0.73 lb. Type C per day to provide 550 mg Chlortetracycline from 2.93 oz. of VitaFerm® Conserve™ CTC 3G Medicated Type B.
 1300 lb. cattle: Feed 0.86 lb. Type C per day to provide 650 mg Chlortetracycline from 3.47 oz. of VitaFerm® Conserve™ CTC 3G Medicated Type B.
 1500 lb. cattle: Feed 1.0 lb. Type C per day to provide 750 mg Chlortetracycline from 4 oz. of VitaFerm® Conserve™ CTC 3G Medicated Type B.
 Free-choice salt can be provided.
