

A premium free choice 5% phosphorus vitamin & mineral supplement for beef cattle designed to support reproductive success when temperatures are above 70 degrees Fahrenheit or when cattle are grazing fescue.

KEY SELLING POINTS

- Contains AO-Biotics® Amaferm®, a prebiotic research-proven to enhance digestibility.
- Contains the HEAT technology, a combination of essential oils and garlic, to support animals when heat and insects are a challenge.
- Includes organic copper, iodine and zinc for maximum bioavailability, innate immunity and hoof health, as well as high levels of Vitamin E support reproductive tract repair and milk quality.

FEEDING DIRECTIONS

Feed to beef cattle at the rate of 4 oz. per head, per day. Free-choice salt can be provided if over-consumption occurs.
