SURE•CHAMP

Sure Champ Joint Juice is a joint product powered by MHB3[®] Hyaluronan, the most highly researched and proven hyaluronic acid available. It is carefully crafted to naturally support, promote and enhance joint and soft tissue health.

POWERED BY MHB3[®] HYALURONAN

MHB3[®] Hyaluronan, our proprietary ingredient, has been scientifically proven to be bioavailable, well absorbed, efficacious, and safe. It confers greater and more consistent results than any other product in both short- and long-term care. MHB3 has been awarded eight U.S. Patents and is highly researched to be efficacious, allowing for best results (Hefner, 2012).

KEY SELLING POINTS

- One of the most economically priced supplements on the market that is priced for your animal to receive the full benefits of MHB3 Hyaluronan EVERY. DAY.
- Has been scientifically proven to be bioavailable, absorbed, efficacious and safe.
- Lubricates joints and naturally restores synovial fluid to alleviate joint discomfort. Also aids in soft tissue health.

FEEDING DIRECTIONS

CATTLE: Orally administer ½ oz (1 pump) twice daily.

SWINE: Orally administer ½ oz (1 pump) once daily.

SHEEP & GOAT: Orally administer ½ oz (1 pump) once daily.

For best results, double the daily dose for the first 7 days of feeding, as well as during competition, strenuous exercise or discomfort.
