

A unique, nutrient rich liquid supplement for commercial swine that increases water and feed intake and maintains gut immunity, thereby increasing overall health and rapidly restoring digestive balance.

AMAFERM® ADVANTAGE

Amaferm® is a natural prebiotic designed to boost animal resilience to challenges. It is research-proven to improve water and nutrient absorption while protecting the gut against infection/damage by stimulating the animal's innate immunity.

KEY SELLING POINTS

- Amaferm, a precision-based prebiotic designed to boost animal resilience to challenges for improved water and nutrient absorption while protecting the gut against infection/damage.
- MOS to trap and expel pathogens, limiting their ability to do harm.
- Contains added electrolytes to help maintain the normal balance of fluids for maximum hydration.
- Elevated B vitamin levels to combat what is missing during stress.

FEEDING DIRECTIONS

RECOMMENDED USAGE DIRECTIONS FOR SWINE:
Shake well before use. HydraBoost requires no mixing. Use during transition periods or during times of stress such as weaning, starting a new group, transporting or sickness. Use full strength as stock solution with medicator set at 1:128. This equals 1 oz. per gallon of water consumed.
