

BACKYARD BOOST™ DEFENSE

SIZES AVAILABLE

Product #71001
16oz Bottle

A liquid supplement for all classes of poultry that promotes feed and water intake during times of stress and recovery to help support digestive health and a healthy inflammatory response.

AMAFERM® ADVANTAGE

Amaferm® is a precision prebiotic designed to enhance digestibility by amplifying nutrient supply for maximum performance. It is research-proven to combat stress by supporting the animal's own immune system, significantly increasing intake and nutrient utilization.

KEY SELLING POINTS

- Contains Amaferm®, a precision-based prebiotic that helps combat the negative effects of stress, restores digestive health, and gets your hens back to producing eggs faster.
- Contains phytochemicals that support the animal's immune system and a healthy inflammatory response.
- Contains MOS, a prebiotic, to trap and expel pathogens, limiting their ability to do harm.
- Contains electrolytes to support proper hydration.

FEEDING DIRECTIONS

Combine 1 oz. of product for every 1 gallon of water. For intermittent use during times of stress, recovery from illness, or digestive upset. Mix daily for best results.
