

SURE-CHAMP

A pelleted, daily supplement for show livestock with Clarify® designed to support hoof health, hair coat and performance when temperatures are above 70 degrees.

KEY SELLING POINTS

- Contains AO-Biotics® Amaferm®, a prebiotic research-proven to enhance digestibility.
- MOS helps normalize gut microflora and support the immune system.
- Contains the HEAT technology, a combination of essential oils and garlic, as well as Clarify® to support animals when heat and insects are a challenge.

FEEDING DIRECTIONS

Feeding Directions for Confined Beef

Top-dress Sure Champ® Extreme with Clarify® with the ration to provide 0.1 mg Diflubenzuron/kg of body weight. Use the following table to determine the exact amount of this product needed based on the weight of each cow to be treated.

Species	Body Wt (lbs)	Oz. of Sure Champ® Extreme with Clarify®
Cattle	100-150	1.0
	151-200	2.0
	201-250	3.0
	251-300	4.0
	301-350	5.0
	1,251 - 1,500	6.0

For larger cattle, over 1,500 lbs of body weight, feed an additional 1.0 ounce for each additional 250 lbs of body weight.

Feeding Directions for Swine

Top-dress Sure Champ® Extreme with Clarify® with the ration to provide 0.2 mg Diflubenzuron/kg of animal body weight to 0.3 mg Diflubenzuron/kg of body weight. Use the following table to determine the exact amount of this product needed based on the weight of each pig to be treated.

Species	Body Wt (lbs)	Oz. of Sure Champ® Extreme with Clarify®
Swine	Up to 50	0.4
	51 - 100	0.8
Over 100 lbs	101 - 125	1.5
	126 - 250	3.0
	251 - 375	4.5
	376 - 500	6.0

For larger swine, over 500 lbs of body weight, feed an additional 1.5 ounces for each additional 125 lbs of body weight.

Feeding Directions for Sheep and Goats

Top-dress Sure Champ® Extreme with Clarify® with the ration to provide 0.4 mg Diflubenzuron/kg of body weight. Use the following table to determine the exact amount of this product needed based on the weight of each sheep/goat to be treated.

Species	Body Wt (lbs)	Oz. of Sure Champ® Extreme with Clarify®
Sheep and Goats	Up to 50	0.8
	51 - 100	1.6
	101 - 150	2.4
	151 - 200	3.2
	201 - 250	4.0

For larger sheep and/or goats over 250 lbs of body weight, feed an additional 0.8 ounce for each additional 50 lbs of body weight.
