

VITALIZE® BLAZIN' PELLET

SIZES AVAILABLE

Product #77728
10 lb. bag

VITALIZE®

A pellet for horses designed to support normal recovery from heat stress and exertion.

KEY SELLING POINTS

- Promotes cellular hydration and water retention.
- Contains AO-Biotics® Amaferm®, a prebiotic research-proven to enhance digestibility.
- Contains antioxidants to reduce damaging free radicals caused by exertion and heat.

FEEDING DIRECTIONS

Directions for Use (per 1,000 lb. horse):

- For use as needed during times of elevated temperature or exertion, administer 2-4 scoops (120-240 g) per day based on intensity of heat and exercise.
- Recommended to split dosage between AM and PM.
- Administer during mealtime.
- Best results occur after 3 consecutive days of use.

GUARANTEED ANALYSIS
