VitaCharge

A gel cap for beef and dairy cattle that supports digestive health and promotes feed and water intake during times of stress and recovery.

AMA FERM® ADVANTAGE

Amaferm® is a precision prebiotic designed to enhance digestibility by amplifying nutrient supply for maximum performance. It is research-proven to combat stress by supporting the animal's own immune system, significantly increasing intake and nutrient utilization.

KEY SELLING POINTS

- Amaferm, a precision-based prebiotic that impacts intake, feed digestibility and nutrient absorption to help combat stress and support the animal's own immune system.
- Convenient, go-to product for recovery.

FEEDING DIRECTIONS

Administer to cattle based on the following:
Cattle over 450 lbs.: One (1) gel cap daily, as needed.
Cattle over 1000 lbs.: Two (2) gel caps daily, as needed.
Administer with proper procedure noting animal's ability to accommodate bolus size. Not for calves less than 450 lbs.
